

Tic Tac STEAM

(Must complete 3 in a row, column, or diagonal)

#1

Read a Book

What was the problem in the story?

Build something to help solve the problem.

Recipe for Deliciousness

Find a favorite recipe. Double the recipe and create it.

(parent supervision required)

Bridge the Gap

Use materials at home to create a bridge to close a 10 inch gap. How much weight can it hold?

Dance Dance

Using your Locomotor and Non-Locomotor skills, create a dance. Record your dance.

Game Maker

Using materials around your home, create your own game. Write the rules and teach your family how to play

Sequel Comic Strip

Think about your favorite story. Create comic strip sequel.

Map It

Draw and label a map of your home.

Measure the length and width of each room and add it to your map.

Character Creation

Using a digital tool, create a digital version of a character from a story.

(Google Drawings, Google Canvas, Sketchpad 5.1, Paint)

Create an Obstacle

Course

Plan out an obstacle course on paper. Create it and time yourself completing the course
