Float Your Boat

Using materials in your home, create a boat that can hold 3 small toys without sinking.

Windy City

Create a wind turbine using paper, thumbtack, and a straw. Test using a fan or hair dryer.

Book Trailer

Pretend your favorite book is going to be made into a movie. Create a video trailer to advertise the movie.

Weather Forecast

Study the weather forecast for the upcoming week. Record yourself acting like a meteorologist giving the weekly forecast.

Coaster Tycoon

Draw and design your own roller coaster. Bonus if you build it out of household items and test it with a toy car or marble..

Trash to Treasure

What new thing can you create from a plastic bag? What does it do? What problem does it solve?

Lay of the Land

Use Google Earth to find a famous landform. Research how it was created and its history

Design an Animal Home

Choose your favorite animal and design it a shelter that has all the things it would need for survival.

Water Cycle

Draw a sun and a cloud on a ziploc bag. Fill $\frac{1}{4}$ of a bag with water (optional: add blue food coloring). Seal and tape to a window in the sun. Watch what happens!
