

Preschool Unit Framework Numbers and Operations

Big Idea		Estimated Time Frame
Pre-Math		1 school year
Skills		
Numbers and Operations		
Essential Question(s)		
<p>Can you count to 20? Can you count objects up to 10? Can you identify the numerals 1-10?</p>		
Math Practices: Preschool Connection to Kindergarten Practices		
<ol style="list-style-type: none"> 1. Recognize that numerals represent a quantity. 2. Students will verbally count by ones. 3. Utilize math language to express quantity in everyday experiences (more/less, same/different). 		
KECS Math 1.1 Demonstrates mathematical concepts and skills during play and other activities.	Samples of Learning Intention	Samples of Success Criteria
B 1.1: Demonstrates understanding of counting and cardinality	I can accurately count a set of objects to 5 and beyond and answer the question "how many".	<p>Students will count concrete objects using one to one correspondence.</p> <p>Students will understand the relationship between numbers and quantities.</p>
