

The Track to Proficiency

What can you DO with the language?

Advanced

AH
High – I'm starting to use extended discourse.

I'm starting to hypothesize and support my opinions on global topics.

I'm starting to discuss topics more abstractly, especially those topics that are highly interesting to me.

AM
Mid – I use organized and detailed paragraphs.

I can ask & answer questions that go beyond basic details.

I can narrate and describe in all major time frames.

I can handle complications.

AL
Low – I use basic paragraphs.

I can narrate and describe in all major time frames with some errors.

I can participate in conversations in most informal and some formal situations.

IH
High – I use sentences with connectors to create original sentences.

I'm starting to communicate about more than just the "here and now"

IM
Mid – I string together sentences.

I can ask and answer questions to start and continue a conversation.

I can handle a simple transaction.

IL
Low – I use complete sentences.

I can ask and answer simple questions.

I can have a conversation about everyday topics.

NH
High – I use sentences & phrases.
I'm starting to create with the language. I can ask & answer some simple questions.

Novice

NM
Mid – I use lists & memorized phrases.
I can talk about very familiar topics.

NL
Low – I use words only.

I like horses.

Do you like horses? I like to ride fast horses.

I will win this race and my mom will be proud. She took me to my first lesson when I was 8.
